About our College

The first women's college in the District of Purba Medinipur, Mahishadal Girls' College, was established on 1st August, 1969. With an aim of imparting higher education to women and to uplift and enhance their status, many local affluents viz. Late Dr. Satyendranath Bhunia, M.B., Late Rabindranath Singha, late Dr. Haridas Sarkar, Late Gopal Chandra Mondal et al. took this glorious initiative. The college started its journey from a rented building in Rathala, Mahishadal with a modest number of staff members and students. In 2003, the college was shifted to the picturesque surroundings of Rangibasan, about 1km away from its previous location. Previously in July 1969, the college was affiliated to the University of Calcutta. Presently it is under Vidyasagar University.
